Scholarship Sponsor

This is a unique opportunity to offer a donation amount of your choice towards an educational grant or scholarship. You can chose to donate an amount of \$500 or more to have the grant/scholarship named after your business or donate a smaller amount to be pooled with other sponsors.

If you opt to donate funds toward a scholarship, SVC-CAMFT will facilitate the review and selection of the recipients. Your company will determine whether the scholarship is merit based, need based, student specific or career specific. Grants are usually not categorized and it is up to your company’s discretion as to whether SVC-CAMFT selects the recipient or not.

If donation application is accepted, Sponsor will:

1. Make a payment to SVC-CAMFT in the amount specified above for the chosen level at least sixty (60) days prior to event date;
2. Provide marketing materials (logo, etc.) in print and electronic form pursuant to specifications provided to Sponsor by SVC-CAMFT;
3. Prepare materials for display at the event;
4. Provide a representative to make a featured presentation and to manage the Sponsor's table.

Immediately following receipt of your logo, payment and agreement, we commence the marketing on our website, email notifications, and newsletter. Therefore, once your date is secured, the fee for sponsorship is non-refundable. In the event that you are unable to attend your scheduled event, your sponsorship will be announced at your sponsored meeting, and members will be directed to our website for more information about your services.

If you are in agreement with the above terms and conditions, please send this completed application to sponsorship@svccamft.org, along with a digital file of your company/business logo. A sponsorship committee member will contact you regarding the status of your application.
