BOARD SECRETARY (one open position)

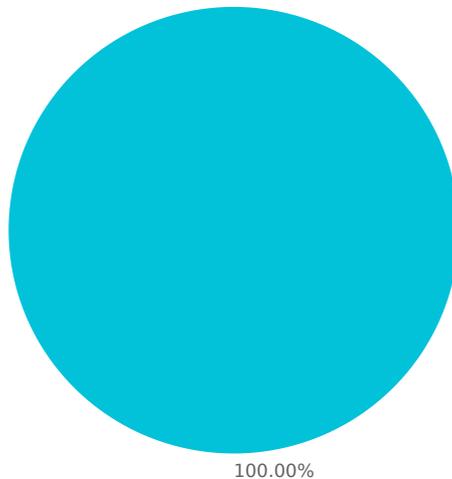

I am Marianna Jakucska, LMFT, licensed since December 8, 2014. I was born and raised in Hungary in the heart of Europe. I moved to the U.S. in 1993, lived in New York, then moved to the East Bay, California in 2003. I received my BA at San Francisco State University in Psychology in 2008 and MA in Counseling Psychology at John F. Kennedy University in Berkeley, CA in 2011. I have been a Sacramento resident since 2015.

I counseled on the crisis hotline at Alameda County Crisis Support Services in Oakland. I acted as a milieu counselor for substances-using adults at New Bridge Foundation in Berkeley. In Sacramento, I provided trauma counseling to children, young adults, and their caregivers as well as to parents who were mandated to counseling by CPS at WellSpace Health. I provided therapy at Lions Heart Counseling. Since February 2019, I am in my private practice full time.

My greatest pride is my website that I created from scratch and have been regularly updating with blog articles. I first resented having to learn the process of building a website since I could not afford to pay a professional to do it for me. But I have not regretted the price.

I have been in the Secretary position with SVC-CAMFT for 2 years and I really enjoy the opportunity to serve with such devoted, knowledgeable, and enthusiastic bunch of people. I am hoping to continue serving the Sacramento Valley with them.
