

## **Licensed Mental Health Therapist Job Description**

### **About the Position**

EMERGE is seeking a Licensed Mental Health Therapist to provide psychotherapy and other activities that support the social and emotional growth of adolescents and young adults. Candidates must be licensed to provide psychotherapy and have experience working with adolescents and/or young adults.

### **Roles and Responsibilities**

- Provide individual, family and/or group psychotherapy to adolescents and young adults
- Provide therapy to other age groups to be determined (children or adults)
- Participate in 2+ hours of supervision, consultation and team meetings per week
- Maintain appropriate clinical records and documentation in a timely and professional manner
- Collaborate with other therapists and community providers
- Provide training and outreach on youth mental health needs and services available

### **Minimum Requirements**

- Licensed in California as a psychologist, LCSW, MFT or LPCC
- Experience working with adolescents and/or young adults
- Motivated and passionate to support young people
- Excellent interpersonal, communication and written skills

<b>Salary:</b>	Generous hourly rate to start; full-time salary with benefits after 3 months Salary based on experience, education and training
<b>Benefits:</b>	Health, dental, vision (or cash equivalent) Life insurance, flex spending, 401K, training stipend
<b>Time Off:</b>	Six weeks per year (20 days flexible time off, 10 days federal holidays)
<b>Hours:</b>	Flexible schedule, but must include some afternoon, evening or weekend hours
<b>Office:</b>	You will have your own office and must work most days in the office, though some telehealth is okay

**EMERGE Center for Social and Emotional Learning** was founded in 2017 to provide a broad array of social, emotional and psychological services with a primary focus on adolescents and young adults. EMERGE seeks to better engage young people in their own growth process by offering innovative programs and a diverse group of professionals who are skilled and passionate about working with youth.

#### **APPLY TO EMERGE IF YOU:**

- Want to work with mission-driven colleagues who enjoy working with young people
- Strive for a high level of clinical excellence and innovation
- Enjoy learning with others and working creatively and collaboratively
- Are in a continual process of personal growth and transformation

#### **To Apply**

Send resume and cover letter to Lawrence Shweky, LCSW, Executive Director at [LawrenceS@EmergeCenter4SEL.org](mailto:LawrenceS@EmergeCenter4SEL.org). Emerge Center for Social and Emotional Learning is a 501c3 non-profit.

#### **Diversity, Equity and Inclusion**

EMERGE embraces the inherent value of diversity, equity and inclusion in our clinical approach, in our hiring and in our lives. We welcome and encourage applicants from all orientations, genders, colors, sizes, abilities, religions, cultures, family configurations and political beliefs.
